The program exceeded my expectations. The combination of learning from experienced and engaging teachers and working for a Canadian company was fantastic and **gave me all the tools to succeed in any professional environment**. Because study and work happen simultaneously and in such a multicultural place, these six months felt like years of experience. I would definitely recommend ILAC International College.

The practicum part of the program allowed me to practice what I had learned during the course. I strongly believe that my work experience here in Vancouver has been a beautiful bonus to have on my résumé. In the 21st century that we live in, **it is essential to have work experience abroad** as well as to speak at least two languages, and to remain open to different cultures.

**Astrid Lesuisse**  
France

I appreciate the professional teaching and materials that ILAC International College offered for us. **What I learned in the program will be key to securing my future**. Meeting new friends from all over the world and getting to know different cultures was an awesome experience. You will not regret joining this program!

The Service Excellence for Business Diploma gave me the opportunity to discover and learn the secrets of business success in Canada. It allowed me to incorporate the knowledge learned in class to the workplace, and enhance my résumé and my future career. This course was a great opportunity to have a Canadian education in a good college with **passionate and qualified teachers**.

**Lorena Lopez Sanchez**  
Spain

This program allowed me to find a co-op work placement that contributes to grow both my Canadian and professional experiences. **I now have the opportunity** to use this knowledge in my career back in Switzerland.
